

Vietnam Market Reports ORDER FORM

Vietnam Market Report - Index

1. Mining industry Background, Analysis, Industry outlook, The current situation, Coal production output (1999-2003), Market size of Mining equipment (1999-2003), Market share, Mining equipment usage by industry.

2. Machine tools and Metal -working Background, Analysis, Industry outlook, The current situation, The list of brand names of the best selling metal working in Vietnam for a) Lathers b) Milling and Boring machines c) Shearing machines and Press Brakes, Market size of Metal working equipment (1999-2002), Market share.

3. Energy & Electricity Overview - Masterplan 2001-2010 and the Market, Other power generating sources, Power Transmission and Distribution, Investment capital, Future projects, Power generation projects to be completed over period of 2001-2005, Generation projects to be completed over period of 2005-2010, Power Equipment Market, Demand for Modern energy in Vietnam 1995-2010.

4. Food processing and Packaging Current situation, Market overview, Market trends, An overview of some key sectors a) Seafood/ aquaculture products b) Fruits & Vegetables c) Other products, Competition - some best sellers in Vietnam a) European companies b) Asian companies c) American companies, Potential Buyers of food processing/packaging equipment and cold chain storage list, Sales Prospects, Food processing plan for 2010, Key Projects Proposed for Investment in Food processing industry 1999-2003, Foreign Invested Sugar projects in Vietnam (end of 2002).

5. Printing industry Background, Analysis, Industry outlook, The current situation, Imported printing Equipment market (1998-2001), Major Offset Single-sheet Printing machines sold in Vietnam (1999-2002).

6. Textile and Garment industry Analysis of the Current Status; Trends, Potentials and challenges; Recommendations. Report also included: Vietnam Current Production Capacity, Current textile and Garment Machinery and Equipment, Machinery and Equipment Import, import-export markets (in 2003-2004), Export Value by Products, Development Plan for period 2005-2010, Capital demand for In-depth investment capital 2001-2010, Vietnam and Vinatex total investment capital 2005-2010, Textile and Garment Export Value by Market, Key Textile and Garment projects for Calling foreign Investments and Sources of information. *(updated March 2005)*

7. Leather and Shoes/ Footwear industry Background, Analysis, Industry outlook, The current situation, Vietnam Footwear Exports (1997-2010), Vietnam imports of leather machinery & Parts (2000-2002), Vietnam leather & Footwear industry 2001-2003, Leatherprodexim's major Projects calling for investment.

8. Plastic industry Background, Analysis, Industry outlook, The current situation, Market Overview, Market trends, Competition, Potential Buyers/ End users, Sales Prospects, Market access, National output and plastic indicator kg per capita of Vietnam 1999-2002, Plastic indicator per capita of Vietnam and some other countries, Investment in Vietnam Plastic Industry 1988-2001, Vietnam's Plastic industry Development Plan for 2010, Vietnam Plastic Material Import (1997-2002), Vietnam's Plastic Material Demand by 2010, Polymer Processing Demand Growth of Vietnam & The region Countries, Major Plastic Market Growth in Asian from 1997-2004, Vietnam's Plastic Machinery & Equipment Market (2000-2003), Structure of Plastic Manufacturers in Vietnam 2002.

9. Rubber industry Background, Analysis, Industry outlook, The current situation, Vietnam Rubber Latex Output, Vietnam Rubber Tires output 2002.

10. Construction industry Background, Analysis, Industry outlook, The current situation, Urban and rural development, Building materials, Construction Machinery & Equipment, Imports of construction machinery & Equipment in 2001, Estimated Urban land and Dweller to 2010, Forecast Demand for Construction materials to 2010, Demand Growth in Consumption to 2010, Ceramic tiles & Sanitary wares manufacturers list (including capacity, equipment & Technology /brand names/ machines

lines manufacturers, Factories location), Ceramic Products/ Raw materials Demand forecast to 2010, Total Yields of Major products by year 2000.

11. Woodworking industry Overview, Background, Analysis, Industry outlook, The current situation, Wood products, Wood processing machinery and equipment, Foreign investment in woodworking industry, Development program, Major exporters of Woodworking machinery to Vietnam in recent years (1998-2000), Some major exporters of wood products to Vietnam in 2000, Some major importers of Vietnam wood products in 2000.
